**RE:** Refuge Fixed Worksurface Screens

The new Refuge Fixed Worksurface Screens for Tables and Desks are now available. The Refuge screens are offered in Privacy and Divider Screens. They come in lengths ranging from 24" – 78" along with three different heights; 13", 19", and 31". The aluminum framed screens come in various colors and are available with acrylic, fabric or markerboard inserts. Refuge screens are only standard for undersized rectangular worksurfaces, please see the list of compatible worksurfaces and tables/desks below. More information on the screens can be found on the OEI website! <http://www.oei-inc.com/>

Compatible Worksurfaces and Tables/Desks:

The screens are standard for **ONLY** undersized worksurfaces. Please see the chart below with the listed Actual sizes they will fit on.

| Stated Worksurface D x W | Actual Worksurface D x W | Recommended Divider<br>Screen Depth | Recommended Privacy<br>Screen Width |
