RE: Develop L-Base Line Extension; 3-Leg

Effective 10/11/19, the Develop L-Base 3-Leg base will be available for order. The addition of the 3-Leg adjustable base with C-Leg configuration is being introduced to complement the current 2-Leg electric height-adjustable table line.

The 3-Leg table base can be utilized to create a cockpit style table (square shoe) to include a short and long side. Worksurfaces to be used with the 3-Leg base are 24"/30" deep, 48" on the short side, and 60"/66"/72"/84" on the long side. Sizes can be specified in either a left or right orientation and can be found in the attached Technical Specifications. Colors available include Black (BL), Silver (SL), and White (WH). Height adjustment range remains the same with current 2-Leg bases, 25-51".
