Description of Change:

Existing orders will not be affected by this change, and will receive black frame edges. All incoming orders that have already been quoted will need to designate a color selection.

Edge requiring a color selection

The new selections are listed below:

EBL	LAMINATE DOOR EDGE BLACK
EGR	LAMINATE DOOR EDGE GREY
ELG	LAMINATE DOOR EDGE LIGHT TONE
ESA	LAMINATE DOOR EDGE SAND
EWG	LAMINATE DOOR EDGE WARM GREY

Reason for Change: This change is being implemented to improve the aesthetics and appearance of these overheads.

Action Required: Begin specifying an edge color on all laminate door Venus overhead orders. Fabric and Solid doors are not affected by this change. If an edge color is not specified, edge will match the paint color of the overhead. If the paint is not a current laminate door edge color, the edge will default to black unless noted otherwise.
