

## Product Bulletin

**To:** OEI Engineering, OEI Production, OEI Sales

**From:** Eric Popp  
OEI Manufacturing Engineer

**Date:** 10/11/16

**RE:** Develop E-Base/P-Base Dual Flip Assembly

The Dual Flip Bar Assembly is now available as an accessory only for Develop E Base and Develop P Base. The kit will include: cross-tube, handle, and all fasteners required to attach to the flip mechanism.

The Flip Bar can be used on Rectangular and Trapezoidal tables, in 48", 60", and 72" lengths.

All price lists have been updated to reflect this update.

DF48R.XX	Dual Flip Bar Assy 48" Rect
DF48T.XX	Dual Flip Bar Assy 48" Trapezoid
DF60R.XX	Dual Flip Bar Assy 60" Rect
DF60T.XX	Dual Flip Bar Assy 60" Trapezoid
DF72R.XX	Dual Flip Bar Assy 72" Rect
DF72T.XX	Dual Flip Bar Assy 72" Trapezoid

Please contact me with any questions or concerns.

Thank you,
