RE: Develop M-Base Culling

OEI will be removing the Develop M-Base (VMFX/VMFD) from the current contract table offering due to low and declining sales. The last order entry date will be 3/31/17 and a last shipment date of 6/30/17. Custom Option Requests will be accepted through 3/31/17.

Recommended alternative products include the Develop P, S, or T bases.

Please contact Eric Popp or Weston Schilawski with questions or concerns.

Thank you,
