

# PRODUCT LINE ELIMINATION NOTICE

P.O. Box 8400  
Green Bay, WI 54308-8400  
(920) 468-2243

Implemented By: OEI/KI

Notification By: Jim Noll

Date: 11/1/2008

Component Product Title: Amberg Desking System – All Finished Goods & KD Levels

Effective: 12/1/2008

**Description of Change: Effective Dec 1, 2008 the OEI Amberg Desking line will no longer be offered as a Finished Goods or KD (Knock-down) product line. No orders will be accepted for any levels of this desk product.**

Reason for Change: Due to very low sales volumes the past few years we are not able to maintain this product offering without raising prices to an unreasonable level.

Action Required: Discard any literature you may have that shows the Amberg desking line. If you have a customer who has purchased Amberg in the past and needs to add on more desking units or replace components, KI still offers the identical line of product in a pass through level. Contact your OEI Sales or OEI Customer Service representative to purchase the KI 700 Series desking product.

If you use the KI/OEI Encompass CAD program a future update will have the OEI Amberg offering grayed out so it cannot be spaceplanned

An alternative to the Amberg desk line that has more features and benefits is the Volition Desk offering. See the attached color brochure for information on Volition or contact your Sales or Customer Service representative.

Customer Notification: all State customers
