Notification By: Jeff Oettinger

Date: 2/12/15

Effective: 2/20/15

ECN: # 13583

Component Product Title: Navigator Pedestal (Piretti Torsion) Cylinder Shroud Elimination

Description of Change: *Cylinder Shroud Part Number 06.0804.XX.X*

Cylinder shroud

Example with shroud

Example without shroud

Reason: Torsion (Navigator Task) is the last task chair still using a cylinder shroud. To maintain consistency within all OEI/KI task seating this shroud is being eliminated. You will only have the cylinder as shown in picture of chair to the right.

Action Required:

- Customers who order by components eliminate shroud part number 06.0804.XX.X
- Customers who have inventories of parts use up old parts as a running change.
- Customers replace existing documents and assembly flow charts in project books.
