

Guest Seating

Navigator[®] Mobile Seating

With its sturdy four-leg design and articulating back, Navigator Seating provides your guests with a high degree of ergonomic comfort. It also allows users to fold up the seat and nest several chairs together, and then collectively move them to where they need to go.

Durability and versatility are built into this chair, but it is also designed with economy in mind, resulting in a price far less than traditional guest chairs.

Navigator Options Include:

- Arm or Armless Versions
- Standard Upholstered Seat with Optional Upholstered Back or Poly Back in Warm Grey or Black
- 34 Powder Coated Frame Colors
- Poly Flip-Up Tablet Arm

The back rib design offers maximum flex and support.

The textured shell offers durability and an appealing look for any office.

Solitude[®] Seating

Comfort and style have never been so affordable, thanks to Solitude Seating. Solitude is an elegant stack chair solution for guest seating, food service, meeting and waiting rooms and more. It has a distinctive look and feel that truly expresses an organization's commitment to quality and a flair for design.

The back flex of Solitude offers remarkable comfort. Its unique shell is contoured and scaled to minimize pressure points. This shape also gives a distinctive look and feel to any environment containing Solitude seating. These chairs can be used one at a time as a side chair, or grouped in larger conference settings. They also conveniently stack for easy storage.

Solitude is available in a wide variety of colors and finish options. Its innovative, contemporary shell structure can be molded in black, warm grey, wine, navy or mustard yellow, all of which can be accented by fabric back and seat options. Solitude is also available with or without arms, depending on the intended use.

Make a stunning statement in office decor with Solitude Seating.

Solitude Options Include:

- Arm or Armless Versions
- Poly Shell or Upholstered Seat and Back
- Stool

Revelation[®] Seating

This is definitely not your average stack chair. Simplicity of design and ease of movement are the motivating factors behind the highly versatile Revelation Seating. NOTE: Caster Chairs Do Not Stack

This comfortable sculpted seating is available in a wide variety of fabrics to fit any decor.

Revelation Stools are designed with style and comfort.

Alta™ Occasional Seating

Standard Alta, with its sleek lines, stylish looks, and modern design updates any room. Whether in a conference room, waiting room, training room, food service area, or office guest area, all who experience Alta Standard will appreciate the ergonomic design complete with contoured seat and back support, as well as the comfort of the foam-cushioned, upholstered seat and backrest.

Well-structured, sturdy, smart and functional. That's Alta Basic. The frame is 7/8" o.d. X 13-gauge tubular steel with a "kick-back" leg style. The Alta Basic maintains superb structural integrity, stability, and resistance to wear. It's also stackable, which saves valuable space and makes for more organized, convenient, and easy storage.

Perfect for any educational setting, Alta Tablet Arm chairs are built to withstand the rigors of continuous use - people getting in and out, flipping the tablet up and down, pressing on the tablet when writing, as well as being moved around the room time after time. The Alta tablet arm chairs are available in polypropylene or with the back and seat foam cushioned and upholstered.

Alta Basic Options Include:

- Arm or Armless Versions

Standard Alta Options Include:

- Arm or Armless Versions
- Tablet Arm
- Stool

Sophic™ Wood Seating

Durability, comfort and elegance come together harmoniously in the form of the Sophic Guest Chair. The elegant contours and transitional styling, as well as the long-lasting comfort, make Sophic the ideal guest chair to add luxury and class to any waiting area, lobby or office.

Guide™ Wood Seating

Gentility meets high performance in this classical European-styled wood-frame guest chair. The Guide Guest Chair's light and graceful lines lend elegance and old-world charm to any environment. The classically crafted wooden frame features open arms and tapered legs.

Advise™ Sled Base Seating

The Advise Seating sled base side chair is perfect for any lobby, entryway or waiting room. Offering aesthetic appeal - with a black tubular frame, black urethane arms and a black urethane textured back, it is conventional enough to fit into any setting. And with various fabric colors from which to choose, it is an attractive fit into any setting.

Cheyenne® Occasional Seating

Cheyenne combines high density stacking capabilities with ergonomic design. The unique feature of Cheyenne is the backrest. It articulates with the weight of the individual user, providing ergonomic comfort. Articulation is achieved with a single piece frame which flexes as the back pivots around its upper and lower crossbars.

Cheyenne Options Include:

- Arm or Armless Versions
- Poly Upholstered Seat Back
- Tablet Arm

Piper® Stack Seating

Piper High-Density Stack Chairs deliver the ultimate in durability and functionality. It is an ideal choice for offices, auditoriums, training and meeting rooms, cafeterias and more. With its color-infused polypropylene seat and back, and solid steel chrome or powder-coated base, Piper has the strength to resist wear, even in heavy-use conditions.

Piper Options Include:

- Arm or Armless Versions
- Poly Upholstered Seat Back
- Tablet Arm

Dakota™ High-Density Stack Seating

The Dakota molded chair offers durability and versatility at an affordable price. It works in training rooms, lounges, cafeterias, auditoriums or in any application where flexibility and resistance to wear is required of a high-density stack chair.

Flexibility and mobility will meet everyone's needs. High-density stack seating and transport dollies make space reconfiguration easy. Quick and easy set up or tear down makes stack seating perfect for meetings, classes, registrations or special events. Best of all, their density means you can store a lot in a small space.

Dakota Options Include:

- Arm or Armless Versions
- Poly or Upholstered
- Tablet Arm
- Book Racks
