Frame

Frame of 3/4" o.d. x 14 gauge tubular steel. Two leg frames are joined by means of "U"-shaped metal plates. Legs and side tubes are welded.

Shells

One piece, textured polyamide with fiberglass reinforcement. Back of shell is ribbed to allow back flex.

Armrests

Polyamide reinforced with fiberglass. Armrest colors are black, warm grey, wine, navy and mustard yellow.

Tube End Caps (No Arm Chair)

Molded plastic. The end caps are available in black, warm grey, wine, navy and mustard yellow.

Floor Glides

Polypropylene ball and socket joints to provide better leveling on any floor. Black only.

Stacking Bumper

Plastic seat pan (black) for stacking support.

Upholstered Seat

Seat is constructed of 9-ply beechwood with 3/4" polyurethane foam cushion applied. Fastened to the shell with three screws thru T-nuts embedded in inner structure.
