They Work 24/7 If Required.

Benefits/Advantages/Features

Stack and Nesting Chairs

NOTE: All chairs have stacking/nesting capabilities on or off carts if applicable, plus convenient set up/take down and storage.

Alta Basic

- Affordable – Durability at a budget price (welded joints)
- Use it Anywhere ! – Small scale plus pleasing design
- Basic Design – Basic options

Alta Standard

- Affordable – Low cost per year of use due to rugged construction (13 ga. tubing, kickback leg, etc.)
- Use it Anywhere ! – Small scale plus pleasing design
- Finished Appearance – Brazed joints, upholstered seat and back, durable poly back shroud, plus arm, no arm, tablet arm options

Cheyenne

- Comfortable – Back articulation (flex counter-balanced by user's weight)
- Stylish – Great design (unique back shape), plus poly or upholstered versions
- Value – Ergonomic comfort at a budget price (flex back)

Dakota

- Reliable – Rigid understructure (7 ga. front seat support and 11 ga. lateral supports)
- Comfortable – Great back support (high back plus sculpted seat to disperse pressure points)
- Wide Applicability – Many accessories (tablet, arms, poly, upholstery)

Navigator

- Convenient – Seating when and where you need it (flip-up seat with casters)
- Simple – Nest and move up to 7 chairs at one time
- Comfortable – Back flex plus thick, cushioned seat (about 2")
- Rugged – Dependable, heavy-duty construction

Piper

- Affordable – Budget priced (about 20% less than Dakota)
- Stylish – Contemporary design with an upholstered option (squared-off back)
- Reliable – Years of use! (passes the 300# BIFMA load test)

Revelation

- Stylish – Contemporary look (square back and dot pattern on poly back and arms), upholstered option on seat and back, casters, tablet arm, upholstered arm or no arm options.
- Comfortable – Great back support (radiused back shape)
- Affordable – About 10% less than Alta model choices

Solitude

- Stylish – High design, poly or upholstered
- Comfortable – High back plus slight back flex (ribbed back)
- Affordable – Only about 20% more than Alta

Task and Ergonomic Chairs

Breathe

- Stylish – Nylon mesh back with lumbar support. Soft foam mesh fabric seat.
- Comfort – All mesh construction (conforms to your body to reduce fatigue)
- Affordable – Budget price for a high-design, high-comfort mesh task chair

Colossal

- Intensive Use 24/7 – Comfortable, fits all users 24 hours a day
- Ergonomics – Has all ergonomic features including back height/depth, positional lock mechanism, front tilt, etc.
- Dependable – All heavy duty components, protective edge on back, looks at home in any environment

Colossal Plus

- Big and Tall Task Chair – Oversize scale, extra wide seat and back
- Rugged – Heavy duty construction (reinforced steel arm plate in seat, heavy duty unique pneumatic cylinder, base etc.)
- Dependable – warranty extends to 500# for 24/7 usage

Ithaca

- Comfortable – Very “cushy” seat (thick, comfortable contoured seat/back foam)
- Affordable – Synchrotilt at a budget price
- Ergonomic – All the adjustments you need (back height, optional seat depth, 4 arm options, etc.)

Pride

- Value – All of the adjustments of high-end ergonomic seating, without the high price (seat depth, back height, etc.)
- Comfortable – Great “ride” and larger than normal adjustment range to fit 95% of the population (4" back height and 3½" seat depth)
- Convenience – Arms can “disappear” (thanks to a “V” shaped arm support and 360 degree arm cap pivot)

Sapphire

- Stylish – Budget price with an upscale look (radiused design)
- Comfortable – Large seat and back to fit 95% of the population (18 ½" wide by 19" deep seat)

Sculpture

- Comfortable – Constant back support from the lumbar to upper back, plus a memory foam seat (two part back with separate pivot points)
- Stylish – Thin European profile (exposed back uprights)
- Affordable – An exceptionally comfortable and stylish chair deserves an exceptional price

Snap

- Reliability – Contract grade reliability at a budget price
- Comfort – Molded foam for comfort and long wear (usually found only on expensive task chairs)
- Dependable – 10 year warranty (varying models)

Sterling 2

- True Family – Managerial low/high back, task, operational, stool, sled, and 4-leg chair options
- True Workhorse – Stands strong against the competition with quality construction and components
- Variety – Fits any environment and any end user’s needs
